

## Appendix A: Agency Outcome Statements

This appendix provides a table of the Outcomes managed by each agency. It assists users to understand the Agency Resourcing Table.

The Outcome statements are listed by portfolio, in the order of: portfolio department(s) of state, corporate Commonwealth entities (\*) and Commonwealth companies (#), and then other agencies. Within these categories, agencies are listed alphabetically by official name. This is the same order as displayed in the annual Appropriation Bills and the Agency Resourcing Table.

Outcome statements articulate Government objectives and serve three main purposes:

- to explain the purposes for which annual appropriations are approved by the Parliament for use by agencies
- to provide a basis for budgeting and reporting against the use of funds
- to measure and assess non-financial performance in contributing to Government policy objectives.

This appendix contains approved Outcome statements for GGS agencies. It does not include agencies that are not within the GGS, such as Public Financial Corporations or Public Non-Financial Corporations.

Further information on the nature and structure of these agencies can be found in the *Flipchart of PGPA Act Commonwealth entities and companies*, which is available on the Finance website.
