Foreword

Budget Paper No. 2, *Budget Measures 2023–24* ensures that the Budget Papers provide comprehensive information on all Government decisions that involve changes to its payment and receipt activities since the 2022–23 *October Budget* released in October 2022. This information is outlined in two parts:

- Part 1: Receipt Measures
- Part 2: Payment Measures

Receipt measures are defined as those measures that affect taxation or non-taxation receipts. Payment measures are defined as those measures that affect operating payments and purchases of non-financial assets. Measures are presented on a cash basis, corresponding with references to the underlying cash balance in Budget Paper No. 1, Budget Strategy and Outlook.
